

Summer Fun Programs 2018

Summer Fun Programs 2018

Registration Instructions

This year Craven County 4-H will be conducting summer programming a little differently than in the past. This year we will be having classes once-a-week with the exception of one of our Camps. Each day of the week there will be a program that will be offered in a series. Costs range from Free to \$30/youth.

In order to participate, youth will have to sign-up as a member of 4-H. There is no cost for membership, but in order to have youth covered by our insurance policy, **they must register through our new 4-H Online system.** Once youth are registered, each year you may login and register for the camps and programs that you want.

Towards the end of the process, you will be taken to a page that asks you if you want to add a club, project, or group. Click on "Groups" and then look for the Name of the Camp you are looking for. You may register for as many of the Camps **listed below as you like.** Because this is a North Carolina state-system, not all the camps in the list are available in Craven County.

To Register go to:

<https://craven.ces.ncsu.edu/enroll-in-craven-county-4-h/>

There is also a PDF of instructions on the site.

PLEASE READ THOSE BEFORE YOU REGISTER!!!
