Free Personal Protection Equipment for Agricultural Producers & Supporting Industries

NC Cooperative Extension has partnered with Department of Health & Human Services to provide select Personal Protection Equipment for farmers, farmworkers, their families, and supporting industries to aid during the Covid-19 Pandemic. Items will be distributed based upon availability only to those placing an order in advance.

A drive-through pick up service will be provided for item collection. The farmer or designated employee may drive to the designated area to collect the items at the scheduled appointed time. Someone will be onsite to direct you. _Please do not leave your vehicle and follow safety precautions while onsite._
