

Application Interview Resume Electronic Video

OPTION 1

Youth participating in the competitive AIRE program are eligible to be selected to attend national events such as National Congress, National Conference, and International Leadership Conference. Youth completing this option will be required to register in 4-H Online and submit their packet to the State Level for review.

OPTION 2

Youth participate in this program by completing the AIRE program components as self-study and/or as part of their local 4-H program. This option does not require youth to submit their packet to the State Level for review

WHAT IS AIRE?

AIRE (Application, Resume, Interview, and Electronic Video) is a workforce development and college prep program. Youth, ages 11 – 18, are eligible to participate and have two options.

NATIONAL TRIPS

Youth participating in the competitive AIRE program are eligible to be selected to attend national events such as National Congress, National Conference, and International Leadership Conference. Option 2: Youth participate in this program by completing the AIRE program components as self-study and/or as part of their local 4-H program.

HOW DO I GET INVOLVED?

Fill out the online interest form which will let us know that you want to participate, or contact the Craven County 4-H Office with questions. We can help you (or your youth) get started with this opportunity and get registered with 4-HOnline. Already in 4-HOnline? Great! That's one less step!

North Carolina State University and North Carolina A&T State University commit themselves to positive action to secure equal opportunity regardless of race, color, creed, national origin, religion, sex, age, veteran status or disability. In addition, the two universities welcome all persons without regard to sexual orientation. North Carolina State University, North Carolina A&T State University, US Department of Agriculture, and local governments cooperating.
